RE: High School Football Championships Press Conference

The Colorado High School Activities Association and Colorado Sports Hall of Fame invite your attendance at a press conference for "Championship Saturday IV", the 4A and 5A Colorado High School Football Championships, presented by the Colorado Sports Hall of Fame, on Monday, Nov. 24, 2008, at 11 a.m. in Broncos Press Conference Room at INVESCO Field @ Mile High.

The four head coaches from the participating team will be in attendance, along with (tentatively) players from each team.

Please enter at the North End Media Entrance at INVESCO Field. CHSAA, Broncos or other official press credentials are all that are required for admittance.

The room will be set with the normal TV risers in the back.

Fox Sports Rocky Mountain will rebroadcast the press conference at various times and dates throughout the week on FSR. FSR play-by-play voice Drew Goodman will moderate the press conference.

Legacy Sponsors for "Championship Saturday" are King Soopers / City Market, Denver Newspaper Agency, Gatorade, Western Dairy Association, Wells Fargo Banks and Invesco Field at Mile High.

We hope you will attend the press conference, as this will be the first and perhaps best chance to get advance material from the coaches.
